

# Bungalow Joe's "FUN" fundraisers.

## Pancake Breakfast

It cost \$100 to book a pancake breakfast. In addition, we collect \$2 from each ticket sold with a minimum amount of tickets sold at 150. As an example if you sell 200 tickets at \$7 each your profit will be \$1400-\$400 for Bungalows. That's \$1000, and you have done it in 2 hours! You will be supplied as many tickets as needed and be charged for each one not returned. We will also sell tickets at the door for you, using our tickets. We supply all the food (pancakes, coffee, milk, orange juice, soft drinks). You supply the servers. Dining area is to be in the same shape as you found it when finished. Marketed and executed properly, this type of fundraiser can make well in excess of \$1000. Our suggestion in making your breakfast a success, is to require each person involved to sell a minimum amount of tickets. We will also market your breakfast on our Facebook page for you!

## Family Fun night

Bungalow Joe's will donate 15% of sales (excluding tax and alcohol sales) to your group. You create the flyer to promote your event. Your guest then turns in the flyer when paying their check. It's that easy! Groups are NOT permitted to hand out flyers at the restaurant. Family fun nights are generally held on Sunday, Wednesday or Thursdays.
